

## Best of Persian Land (12 Days Iran Tour)

### INTRODUCTION

The Islamic Republic of Iran has a land area of 1,648,184 km<sup>2</sup> and is bordered by Iraq, Turkey, Armenia, Azerbaijan, Turkmenistan, Afghanistan and Pakistan. The country has over 2,440 km of coastline in its southern region, about two-thirds of which faces the Persian Gulf with the reminder lying east of the Strait of Hormoz in the Gulf of Oman.

What one considers a "must see activity" depends on an individual's purpose in coming to Iran. A person who wants to experience Iran's geological diversities may have different desires and objectives than a person seeking to explore its cultural and historic wonders. With this in mind we can suggest to you some different highlights which you may consider when visiting Iran. You can help us by telling your Purpose from travel to Iran that we could offer you our best services.
